Dear Unicorns,

We have made some spectacular achievements of late. The Akari have been wiped from Edreja as we promised and we have been dealing with all issues on our lands with great efficiency.

Now Mauritanja is returning to a state of normality, it is time we looked to internal matters within our nation.

I will be hosting a parliament this coming spring to ensure all positions are filled, all issues raised and dealt with and to ensure all of our people are happy and content.

We shall be gathering in Jacob's Reach on South Isle. There is a rare conjunction of the stars occurring on the proposed date of our parliament, best seen from this location. We do not know if this will affect us in any way, but I can be sure we will tackle anything in our path, together.

We must also remember to have fun and be united as a family once more.

I look forward to seeing you all there.

Elorna
Consul of the East
